

Corporate Overview

FSCX, Inc. is a Historically Underutilized Business Zone (HUBZone) and Service Disabled Veteran-Owned Small Business (SDVOSB).

Since beginning operations in March 2000, FSCX personnel have combined their technical skills with their subject matter expertise to design and develop operations and training solutions for the military. FSCX's military expertise spans the combat arms and includes highly proficient former Army, Navy, Air Force, Marine and Special Operations personnel who have recently served or continue to serve as expert analysts or instructors for multiple contracts.
